

## THIS TERRIFYING BIBLE PROPHECY IS UNFOLDING BEFORE OUR EYES!

**On December 6<sup>th</sup> President Trump words shook the world.**

**For the first time in over 2000 years, Jerusalem was recognized as the capital of Israel.**

Whether he knows it or not, President Trump fulfilled his part in a frightening biblical prophecy exactly as the scriptures predicted.

**Only the top church leaders and Bible scholars know the real meaning behind this great and terrible moment, yet no one is saying a thing about it...**

**Until now!**

This ancient biblical prophecy will be revealed and then you will see the signs and the undeniable proof of the word of God coming true...

**You will understand how five other major recent events foretold by the prophets** Ezekiel, Jeremiah, Isaiah and John the Apostle have already happened and why this too was inevitable.

But, before reading any further I must warn you:

What you are about to see is deeply disturbing...

Because it will link current events to ancient Biblical prophecies, step by step.

**And you will realize why we are standing at the precipice of the darkest event in the history of mankind...**

**An event that may leave 290 million Americans dead**

**But take comfort for it is God's will that you are here now.** You will understand the terrible tribulation that is about to happen, so that you may have time to prepare.

I understand you might be feeling skeptical right now.

There have been countless false prophets and doomsayers claiming they know the Biblical revelations and spewing falseness and deceit...

When the truth has always been there in the holy book for all to see.

You just have to know where to look!

So, let me ask you one question:

## **WHO WOULD HAVE THOUGHT 70 YEARS AGO THAT THE JEWISH PEOPLE WOULD HAVE A COUNTRY TO CALL THEIR OWN?**

**Only those who read Ezekiel chapter 37**

This is what the prophet wrote 2700 years ago:

*"The hand of the Lord was on me [...]and set me in the middle of a valley; **it was full of bones.** Then he said to me: **"Son of man, these bones are the people of Israel, my people."***

*"I will take the Israelites out of the nations where they have gone. I will gather them from all around and bring them back into their own land. **I will make them one nation in the land, on the mountains of Israel.***

Word by word, the prophecy made by Ezekiel came true. **In 1947 the nation of Israel** was born after the horror of the **Holocaust** symbolized by the valley of **bones**. Scattered for more than 2000 years, the Jewish people

the world into this new state and made it an economic and military power.

**This is the first prophecy that has come true!**

Yet in spite of all they have achieved, in spite of all the wars they fought against impossible odds, Israel was not whole.

It needed Jerusalem to become its rightful capital again.

**And that only happened with the support of President Trump.**

**This was President Trump's role in Bible prophecy and another major event that happened exactly as predicted.**

However, to the north of Israel, other terrible biblical prophecies have come true!

## **PROPHETS ISAIAH AND JEREMIAH WRITE ABOUT THE SYRIAN CIVIL WAR**

This is what the prophet Isaiah says:

*Damascus will no longer be a city  
but will become a heap of ruins. (Isaiah 17)*

And these are the words of Jeremiah.

Damascus has become feeble,  
she has turned to flee  
and panic has gripped her;  
anguish and pain have seized her,

Surely, her young men will fall in the streets; (Jeremiah 49)

**For 5000 years Damascus**, the capital of Syria stood as one of the oldest and most prosperous cities in the world.

**But the civil war that began in 2011 turned it into a ruin.**

Not only do the prophets talk about the war but **also the refugee crisis and the deaths of its men fighting for one side or the other.**

The army of Syrian dictator Bashar al Assad has been fighting the rebels backed by the United States, Israel, Turkey, Jordan, Saudi Arabia and ISIS terrorists<sup>[ii]</sup>...

In 2015, Bashar al Assad was on the brink of total defeat, yet exactly at that time, another biblical prophecy was fulfilled.

It is this stage of the prophecy that so alarmed the Pope and made the war in Syria become truly global....

## **EZEKIEL 38 TELLS OF RUSSIA COMING TO THE BORDER OF ISRAEL**

*The word of the Lord came to me: <sup>2</sup>“Son of man, set your face against **Gog, of the land of Magog,** <sup>4</sup> I will turn you around, put hooks in your jaws and bring you out with your army, **Persia, Cush and Put** will be with them, all with shields and*

helmets,<sup>6</sup> also **Gomer with all its troops, and Beth Togarmah.** In the latter years, you will come into the land of those brought back from the sword and gathered from many people on the mountains of Israel.

One only has to look at a map of the world as it was known at the time of the prophet to understand.

To the north of the Caspian Sea, we find the people known as **Magog inhabiting the land known as Rosh.**

Over time, the ancient name of Rosh became current day Russia.

Twice, Ezekiel says that Magog will bring his armies from "the extreme north" (Ezekiel 38:15; Ezekiel 39:2) to the border of Israel. When you look north of Israel on any map of the Middle East, and guess what nation you'll find? That's right - Russia.

**Non-other than President Ronald Regan, a devout Christian, said many times that he truly believed Russia to be Magog according to Ezekiel.**

What about the word Gog? Bible scholars agree that the word **Gog is not an actual name but a title.** He is the ruler of the land of Magog like a king or a czar.

Ezekiel clearly says that Russia will come to the **“Mountains of Israel”** in the **“latter years”**.

**This happened in September 2015 and never before<sup>[iii]</sup>.**

For the first time in history, the Russian army, navy and air force became involved in a war in the Middle East.

**This is the 3<sup>rd</sup> major event mentioned in the Bible.**

It's frightening how accurate the prophecy is.

And Russia is not alone...

## **EZEKIEL 38 WARNS OF THE CREATION OF THE RUSSIAN MILITARY ALLIANCE**

According to Ezekiel, Magog's army has several allies: **Persia, Put, Kush and Gomer and Togarma.**

**Iran has been known as Persia** for much of its history, during the time of the prophets and beyond. It only changed its official name to the Islamic Republic of Iran in 1935.

Right now, Iranian troops are on the ground in Syria fighting side by side with the Russians and the forces loyal to the regime of Bashar al Assad.

Put and Kush are the ancient names of Libya and Egypt.

Over the past 2 years, Russia and Iran have built alliances with other Middle Eastern Muslim nations. **Egypt<sup>[iv]</sup> and Libya, both suffered civil wars and the new leadership is very friendly to the Russians.**

## **BUT THE GREATEST SURPRISE IS THE LAND KNOWN TO EZEKIEL AS GOMER AND TOGARMAH.**

The historian Flavius Josephus references **Togarmah and Gomer as the people that lived on the territory of present-day Turkey.** In fact, Turkish history books identify these tribes as living on their land at the time of the prophets.

It is just terrifying how accurate the prophecy is.

3 years ago, Turkey was a strong NATO ally but everything changed after the failed coup attempt in 2016.

Now, Turkey has become increasingly hostile to NATO and the United States.

It forced NATO to remove forces from its bases.

It's buying weapons from Russia.<sup>[v]</sup>

It fully condemned the idea of Jerusalem becoming the capital of Israel...

And in fact, right now, the Turkish army is in Syria, fighting to defeat the enemies of the Syrian dictator.

The end times alliance prophesized in the first verses of Ezekiel chapter 38 has already been formed.<sup>[vi]</sup>

**Never in the history of mankind has there been an alliance between Russia, Iran and Turkey...**

**This is the 4<sup>th</sup> major event the prophets wrote about!**

The fact that we are seeing this right now is further proof that the end times are very near.

Now, one final prophecy needs to be fulfilled before the start of World War 3

## **ONE DEATH TRIGGERS WORLD WAR 3**

We saw how Jeremiah predicted the destruction of Damascus in chapter 49

But there is one more thing he wrote about that has not happened yet:

*And I will kindle a fire in the wall of Damascus, and it shall consume the palaces of Benhadad. (Jeremiah 49:27)*

Benhaddad is not an actual person but a title. Just do a simple search online and you will discover that Benhaddad is the ruler of Aram-Damascus.

While it is clear that Bashar al Assad is the current ruler of Damascus, Aram is a region in Syria now known as Aleppo.<sup>[vii]</sup>

The city of Aleppo was just recently recaptured by the regime of Syrian President Bashar al Assad with the help of Iran and Russia. **This is shockingly accurate and the last event that happened exactly as foretold...**

What happens next, however, is darker and will send shivers down the spine of every true Christian and patriot.

As you can imagine, **Assad very rarely leaves the most secure place in Damascus, the Presidential Palace and Jeremiah says that soon it will be burning.**

How does this happen? Look no further than the headlines of recent months and you see time and **time again Israel calling for the assassination of the Syrian dictator.**

Isaiah also writes about the end of Syria's dictator.

***The fortified city will disappear from Ephraim and royal power from Damascus;(Isaiah 17)***

This is overwhelming prophetic evidence. We are months, maybe weeks away from this prophecy being fulfilled.

Already, the Israeli Air Force has bombed over and over again the territory or the Syrian regime.

## **WE ARE WATCHING BIBLICAL PROPHECY UNFOLD BEFORE US:**

Russia and its allies are fighting to keep Bashar al Assad in power and Israel wants him dead.

According to prophecy, the assassination of Assad will trigger a war between the Magog alliance and Israel. This is the spark that ignites World War 3.

Isaiah talks about the war in Northern Israel in Chapter 17, the same one announcing the destruction of Damascus and the death of Assad.

*And in that day it shall come to pass, that the glory of Israel shall be made thin*

*It shall be as when the harvester gathers the grain,*

*But the harvest will be a heap of ruins*

*In the day of grief and desperate sorrow”.*

Ezekiel chapter 38 states that 2/3 of Israel will be destroyed in this coming war and those left in the holy lands will face grief and pain and hardship.

So what happens to the United States?

Will we not help Israel in its darkest hour?

To answer this question, we must first find the United States in biblical prophecy.

## THE BIBLICAL NATION CALLED MYSTERY BABYLON

Unlike Russia, Iran, Turkey or Israel, the American continent was not discovered at the time of the prophecies.

However, John the Apostle in the Book of Revelation, and Jeremiah and Isaiah talk about another end times nation in their writings....

A nation called Mystery Babylon.

This name is deeply symbolic.

Ancient Babylon was a city made great by people who came from all parts of the ancient world. Just like immigrants helped make the United States the world's only superpower.

And because the prophets didn't know of the existence of the North American Continent at the time of the visions they called it "mystery" Babylon.

Some say Biblical Babylon, refers to ancient Iraq...

But if that is true, why do the prophets see it as nation surrounded by waters? "O thou that dwellest upon many waters, abundant in treasures" (Jeremiah 51:13).

"Where all who had ships on the sea became rich through her wealth!" (Revelations 18:17)

While Biblical Babylon has plentiful access to waters rich in resources, most of Iraq is a desert and has only a narrow stretch of coastline

Why do the prophets talk about pollution when in ancient Iraq there could not be such a thing?

“Thou hast destroyed thy land” (Isaiah 14:20)

“I have polluted mine inheritance, and given them into thine hand” (Isaiah 47:6)

Babylon “mounts up to heaven” (Jeremiah 51:53) and “ascends above the heights of the clouds” (Isaiah 14:14)

These metaphors clearly reference a nation that has discovered flight.

It is obvious that Babylon or Mystery Babylon can't be the ancient Iraq...

But the prophets have more to say about this end times nation:

Babylon is hailed as a “Queen among nations” and “The lady of kingdoms”. (Isaiah 47:5,7);

According to the prophets, Babylon “reigneth over the kings of the Earth”(Revelations 17:18).

It is “The praise of the entire earth” and an “astonishment among the nations” (Jeremiah 51:47)

It is a place of great riches.

“And the merchants of the earth are waxed rich through the abundance of her delicacies. (Revelations. 18:3)”

In fact, the prophets say clearly that should something happen to the Babylon, all worldwide trade would stop: “*The merchants of the earth will weep and mourn over her because no one buys their cargoes anymore*” (Revelations 18.11).

It is the number one military power and it's called the *Hammer of the whole Earth* (Jeremiah 51:30)

And becomes proud and arrogant and it does not consider its end.

“Therefore, hear now this, thou that art given to pleasures, that dwellest carelessly, that sayest in thine heart, I am, and none else beside me; “(Isaiah 17:7-8)

“How much she hath glorified herself, and lived deliciously, for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow

Does this sound like American Exceptionalism - the strong belief rooted inside our people that America is different from other nations, better than them in every possible way?

This is, again, very, very precise.

The last clue the prophets left us is incredibly accurate:

The scripture often refers to Babylon as a woman. According to the book of Revelations she sits atop water (17.1) has a "golden cup" (17.4) in her right hand and a crown of seven rays on her head. John the Apostle talks about:

*(Revelations 17:18)“ And the woman which thou sawest in that great city, which reigneth over the kings of the earth” .*

The United Nations, in theory "reigns" over all the "kings" of the Earth and is situated in New York... the great city where you can see the Statue of Liberty. The statue is the most well-known landmark in the US, and the symbol of Babylon the prophets are referring to in their clues...

## **SO WHY THEN ARE THEY ALSO CALLING IT THE WHORE OF BABYLON?**

The sculptor of the Statue of Liberty was Auguste Bertholdi, a mason belonging to the great Masonic Lodge in Paris.

Before beginning the statue of liberty project, Bertholdi was seeking a commission to construct a giant statue of the goddess Ishtar.

The Romans also adopted this fertility goddess but they changed the name to Libertas in Latin, (Liberty, in English). Libertas is the mythological equivalent of Ishtar.

Therefore, the Statue of Liberty is, in fact, a Statue of Ishtar the Babylonian the goddess of fertility, love and... sex.

According to the ancient Babylonian rituals, one could only be purified of sin after intercourse with a temple priest or priestess of Ishtar.

In return for this salvation a “gift offering” was needed.

Ishtar was the “patron-mother” of the temple priestesses and priests... She was the “mother” of what we would call today prostitution... This is why Ishtar was seen by early Christian as the "Whore of Babylon"... and that is why the Statue of Liberty, the symbol of America is called by the prophets as the Whore of Babylon.

Do you think it is just a coincidence that the US, the home of the greatest and most famous statue of Ishtar, provides 65% of pornographic movies and adult entrainment to the world?

Is it just another coincidence that this is the country where sexually liberation originated and spread to the rest of the world?

It's not. It's just like the scriptures foretold:

Revelations 18:3:” For all nations have drunk of the wine of the wrath of her fornication

The U.S. today has the most powerful economy and military, controls worldwide commerce, is proud and arrogant, has the most developed air force and space program and it is the envy of the world.

It houses the “Whore of Babylon”, it reigns over the kings of the Earth and has become a land of moral depravity...

and unfortunately for every living American...

it is Mystery Babylon... and as you are about to see in one hour its fate will be sealed.

## **THIS IS WHAT THE PROPHETS SAY ABOUT THE GREAT ENEMY OF BABYLON:**

### **Jeremiah 50:3**

*“For out of the north there cometh up a nation against her, which shall make her land desolate”.*

### **Isaiah 13:5**

*“They come from a far country, from the end of heaven, and the weapons of his indignation, to destroy the whole land”.*

Remember which country the prophets said was from the “North”? The same country that Ezekiel said will lead a great alliance of nations to the borders of Israel?

Now consider this: the Russian alliance knows it can't defeat Israel as long as the United States is its closest ally.

If war happens, the United States must be the first target...

That is why the prophets foretell that at the start of this war Russia will unexpectedly use a very special weapon, *“the weapon of indignation”* against the whole territory of the US... a weapon like which the world has never seen...

**Discover what exactly is this terrible weapon by clicking here**

## THE HOLY BOOK SHOWS HOW BABYLON WILL FEEL THE FURY OF THIS TERRIBLE WEAPON THAT WILL SEAL THE FATE OF BABYLON AMERICA:

This weapon will hit our entire country, and all our defenses will be in vain:

*Though Babylon should mount up to heaven, and though she should fortify the height of her strength, yet the spoilers come unto her (Jeremiah 51:53)*

This weapon paralyzes our military and leaves it almost defenseless:

*"How is the hammer of the whole earth cut asunder and broken? The mighty men of Babylon have forborn to fight: their might hath failed;" (Jeremiah 51:30).*

*The broad walls of Babylon shall be utterly broken, and her high gates shall be burned with fire, she hath given her hand: her foundations are fallen, her walls are thrown down:(Jeremiah 51:58);*

*"Because the spoiler is come upon her, even upon Babylon, and her mighty men are taken, every one of their bows is broken" (Jeremiah 51:56)*

And after the attack, Babylon is left **silent and in darkness**:

*"Sit thou silent, and get thee into darkness: for thou shalt no more be called, The lady of kingdoms" (Isaiah 47:5)*

All three prophets tell of the fall of Babylon... the destruction of the United States of America as we know it...

This is not an event that happened to ancient Babylon in the past...

History has never recorded the fall of a state or a city in the way described by the prophets.

And just like all the other events accurately predicted by the Bible: the two World Wars, the rise and fall of communism and the return of the Jewish people to their homeland and so many others...

### THERE ARE MANY CLUES HIDDEN IN THESE DESCRIPTIONS TO WHAT THE WEAPON OF INDIGNATION IS:

It paralyzes the military, making it unable to respond. It leaves Babylon in silence and darkness...

What weapon could silence an entire continent in one hour?

The world has never seen one... until a few years ago with the creation of the Electro Magnetic Pulse or EMP.

Over and over think tanks like the EMP Commission working for the Senate have warned how this is the greatest and perhaps only real vulnerability of the United States.

Yet no administration has done anything about it...

We are completely unprepared for what's coming.

Every report says the same thing... this event can wipe out 90% of Americans and all it takes just one warhead to be detonated above the United States to take us back to medieval times.

The lasting effects will destroy society as we know it...

Exactly as the Scriptures predicted:

Revelations 18:8:

"Therefore, shall her plagues come in one day, death, and mourning, and famine;

Without hospitals or pharmacies being able to function, people won't be able to take their necessary medication.

Without running water, heat and garbage disposal, diseases will break out.

As cars and trucks stop running, market shelves will become empty. Desperate people will become looters and there will be food riots...

There will be no police, no law, no healthcare, no help... it will all descend into chaos and confusion.

A complete collapse of everything we take for granted today.

As the prophet Jeremiah says:

*"And it shall be, when thou hast made an end of reading this book, that thou shalt bind a stone to it, and cast it into the midst of Euphrates:*

*And thou shalt say, thus shall Babylon sink, and shall not rise from the evil that it will bring upon her"* (Jeremiah 51: 63,64).

## **AND THIS IS THE START OF THE TIME OF TRIBULATION AND SORROWS.**

"For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be" (*Matthew 24:21*).

And yet, the prophet shows that there is still hope.

According to Matthew all those who listen to these words, believe and take the right action will be saved:

But the one who endures to the end will be saved (*Matthew 24: 24*).

The message couldn't be any clearer... the warnings are there so that only the ones who believe the words and warnings of our Lord and prepare will be saved.

My name is Alexander Cain

I am a theology professor working at one of the largest universities in Arkansas; I earned a doctor's degree in Theology and Ancient History

And for the past 19 years I have studied the ancient scriptures...

Back in 2015 when I saw Russia arriving in Syria I knew things were getting serious...

And as I saw this prophecy come true I knew I had to do everything in my power to protect the ones I love survive the coming tribulations.

And the obvious place to look for answers is in what people did 200 years ago to survive and thrive without electricity...

How they kept food from spoiling, how they found and stored water, how they lit their homes and kept warm...

The knowledge, methods and skills of our ancestors will keep us alive after the EMP.

Right now, there are people that live in remote rural areas all over the world...

Without electricity... and to my surprise as somebody used to relying on conveniences, they have happy, comfortable lives.

They are proof that we can live in a post - EMP world, if we know how. They hold the answer to living without of electricity, but nobody really needed to know their secrets... until now.

I have discovered ways to keep food from spoiling without a fridge and the secret to storing heat-sensitive medicine...

And surprising places where you can find drinkable water, enough to sustain your family for months... even if you live in a barren region.

I learned how anyone (and this includes seniors and kids) can survive without electricity... the only condition is they need to know what to do when the power goes out and have preparations in place.

Sure, it wouldn't be the luxurious life you are used to, but it does have its comforts and most importantly: your family, your loved ones and even your entire community can stay ALIVE.

## **I KNEW THAT I HAD DISCOVERED THE TRUE SOLUTION TO THE COMING BIBLICAL DISASTER....**

I set to work on writing down everything I had learned. And when it was all done I realized everything I had learned added up to a comprehensive guide to surviving and thriving during the coming EMP generated dark ages.

Every word written in the knowledge that what's coming is worse than Katrina, Sandy or any other natural disaster.

The Fall of Babylon America will be man-made and country wide...

And there will be no place to hide.

But faith, knowing what to do, and preparing for what's coming are the only things that will get you through the fall of Babylon America...

That is why I have named my work "**Alive After The Fall**".

### There are only 3 possible Options:

Option 1: You can do nothing. Ignore the signs or just hope all of this will not come to pass... But you were show how the prophecy is coming true step by step...

We are getting closer and closer to the Fall of Babylon America...

The greatest and darkest event in human history is coming.

After seeing all the signs is this a chance any real Christian can take?

Can you truly think of yourself as a diligent husband or father and pass on an opportunity to keep your family safe?

Doing nothing means taking on all the risks... exposing yourself and your loved ones to famine, violent rioters, disease and god knows what else.

When the EMP hits, those who knew but did nothing will have to deal with all of the consequences of this disaster and the guilt of knowing they could have been ready but chose to ignore the signs...

You did not come here be accident, you were presented with the option to save yourself and those you care about.

You have the only true solution in hand and you can take it 100% risk free...

Also, as I mentioned earlier someone is trying their best to shut us down... it might not be long before they succeed.

Option 2: trying to prepare and to learn everything by yourself. For me it meant going through months of research and painful planning...

But time is something you don't have right now...

Option 3: getting the "Alive After the Fall" program right now.

A risk free, worry free, all research done for you plan. If you care about your safety if you are really want your family to be secure and are willing to do what it takes to do that, this is the option for you.
